TOKYO BABYLON PHOTOGRAPHS

▶An ancient city built in Mesopotamia. Since Hammurabi, the king of Babylonia, had located the capital there in the 18th century B.C., the city flourished as a center of politics and culture. But they were haughty about the glory, and thought mankind is much the same as God, they built a heaven-kissing tower called Babel. God, the absolute being, could not tolerate the deed, so they lost the common language as the punishment from God alighted on the tower. It is the evidence of the folly which man ceaselessly repeats because he is a human. Woe betide Babylon, the city which incurred the wrath of God.◀

TOKYO BABYLON PHOTOGRAPHS

1990 ▶ 1993

今、この『写真集』に掲載される『写真』を見ています。
楽しそうな笑顔。ちょっと困ったような表情。
1枚1枚に、それぞれの『写真』を撮影した時の『思い出』が詰まっています。
でも。
この3人は、もうどこにもいません。
この『写真』達は、すべて彼らの『過去』の姿であって、
『現在』のものではないのです。
もう2度と、
3人が肩を並べてひとつの『写真』の中に収まる事はないでしょう。
だからこそ、幸せだった頃の3人を覚えていて欲しくて、
この『写真集』を作りました。

私達は、彼らを絶対に忘れません。

願わくば貴方の心にも、この『3人』がいつまでも残りますように……。
